## Profile:

I'm a fourth year fine art student, specializing in illustration, life and figure works. Concentrating on the human form, I am fluent with a range of mediums, including watercolor, acrylic, oil paint, drawing and digital media. As a traditionally centered artist, I seek opportunities to use my technical skill and creative ability. I see myself working in a studio, or as a concept artist.

## Education:

2002 - 2007

**BFA Currently attending 4<sup>th</sup> year in Drawing Alberta College of Art and Design**

**Subjects studied:** Drawing, Painting, Cultural Anthropology, Art History and Colour Theory
